**Approved applicants may receive FREE paint and supplies to paint the exterior of their home. For consideration, complete and return this form, a copy of your Ennis water bill, and a photo of the house to be painted.**

**Qualifications**

- House must be within Ennis city limits
- Applicant must own and reside in the house to be painted
- House must have an established City of Ennis utility account
- Applicant may own only one residential property with an existing structure

**Requirements**

- All labor must be accomplished *or provided* by the homeowner
- Project must be completed within 30 days of award
- Photo of completed project must be submitted within 15 days of completion

Approved applicants have their choice of approved in-store paint colors from Sherwin Williams of Ennis. No color matching is allowed and applicants may not pay extra to upgrade the paint color, brand, or grade. The amount of paint to be given to the homeowner will be based on the size and material of the house. Brick houses, for example, will only be given paint for the trim or other painted surfaces, not including the brick.
